PROFESSIONAL EXPERIENCE

Web Developer - Your Asian Team Company

September 2024 - January 2026

- Designed and implemented responsive and user-friendly web interfaces using HTML, CSS, JavaScript, jQuery, and Bootstrap to develop an online cybersecurity training course and conducted quality assurance testing to ensure the course's functionality.

Freelance Front-End Developer - Pompanette Company

March 2025 - November 2025

- Designed and developed an interactive web application that allows users to customize a boat seat in real time using a 3D model. The platform enables users to view, rotate, and configure seat options through a dynamic and responsive interface.

PROJECTS
